Dear Janette Peltokorpi,

Thank you for reaching out and informing us about the nomination of Linda Lyberth Kristiansen as the potential UArctic Board Student Representative.

We wholeheartedly support Linda's nomination and appreciate the recognition of her contributions to UArctic through her work as an intern at the UArctic International Secretariat.

We believe that Linda's perspective and dedication will bring valuable insights to the Board, and we are excited about the prospect of having the first Greenlandic student representative."

[Sent on behalf of Outi Snellman, Secretary of UArctic Nominations Committee]

Dear Rector Gitte Adler Reimer,

The Board of UArctic has always three student representatives. They serve for three-year terms, including one year as the student representative elect, one year as the student representative (primary representative) and one as outgoing student representative. A student representative can be nominated by UArctic member institution from their students.

The UArctic Nominations Committee has decided to approach the University of Greenland to ask if you would be willing to nominate your student Linda Lyberth Kristiansen as the student representative to UArctic Board? She is currently working as an intern at the UArctic International Secretariat, so she is already introduced to UArctic. She has contributed to the work of UArctic by developing the Indigenous learning and research resources collection in collaboration with the UArctic Vice-President Indigenous. The Nominations Committee noted, that in the history of UArctic, there has never been a Board student representative from Greenland, and this could be a great opportunity to elect the first Greenlandic student representative.

The final decision on electing the Board student representative will be taken in the meeting of UArctic Assembly in June 2024, based on the proposal from the Nominations Committee. The term for the student representative would be 2024-27. As the term is relatively long, the students often graduate during their term, and it is not any problem for UArctic. UArctic covers the travel costs of the student representative participating in the meetings physically.

If you have any questions, please don't hesitate to be in touch!

Warm wishes,
Outi Snellman
Secretary of the UArctic Nominations Committee
UArctic Secretary General
