

## Two Internships for Danish, Faroese and Greenlandic Students

UARctic is launching a call for two intern positions: one at UARctic International Secretariat at the University of Lapland in Rovaniemi, Finland and the other at the UARctic Thematic Networks Office at the University of Oulu in Oulu, Finland.

Internship opportunities are for Danish, Faroese or Greenlandic advanced level students under the UARctic Danish Mobility Project, the goal of which is to support mobility for the Kingdom of Denmark's Arctic education activities, and mobility from the Kingdom of Denmark to Arctic educational activities in different areas of the Arctic through the UARctic network. All applicants should be students at the following UARctic member institutions in the Kingdom of Denmark:

Aalborg University

Aarhus University

Centre of Arctic Technology (ARTEK) Technical University of Denmark

Nordisk Fond for Miljø og Udvikling

Roskilde University

University of the Faroe Islands

Iisimatusarfik / University of Greenland

University of Southern Denmark (waiting for membership approval)

Both positions are for three months (September 1<sup>st</sup> - November 30<sup>th</sup>, 2014)

The internship should support one's studies at home institution.

Grant for the internship: 1 466€/ month

Application deadline: May 12<sup>th</sup>, 2014

Needed documents: Application and CV sent to UARctic International Secretariat [secretariat@uarctic.org](mailto:secretariat@uarctic.org)

Contact person regarding application process and financial matters:

International Relations Coordinator Pirkko Pulkkanen: [secretariat@uarctic.org](mailto:secretariat@uarctic.org)

### Internship at UARctic Thematic Networks Office

(<http://uarctic.org/SingleArticle.aspx?m=56&amid=68>)

Thule Institute (<http://www.oulu.fi/thuleinstitute/>)

University of Oulu

Environmental Sciences Building

Linnanmaa campus

90014 University of Oulu

Finland

### Contact:

- Thematic Networks coordinator Kirsi Latola ([Kirsi.latola@uarctic.org](mailto:Kirsi.latola@uarctic.org))

**Tentative supervisors:**

- Coordinator Kirsi Latola, Thematic Networks
- Director Arja Rautio, Centre for Arctic Medicine at Thule Institute, Thematic network on Arctic Health and Well-being
- Planner Pirjo Taskinen, Thule Institute
- Transnational Access Coordinator, INTERACT EUFP7 project, Hannele Savela, Thule Institute

**Planned tasks to be conducted during the internship:**

- Updates and working with the revised UArctic Thematic Networks website, contacts with network leaders, updating information, etc.
- Planning, developing and making the new website for the PhD program on Arctic Health and Well-being, contacts with the international partners, gathering information etc.
- Possible tasks within the INTERACT – contacting the 20 research stations for gathering the information needed for EU report and access database
- other possible tasks (assisting in conference / seminar arrangements; ICCH16 website and Facebook, photographs, etc.)

**Successful candidate should:**

- be fluent in writing, reading and speaking in English
- have excellent computer skills
- have skills in photography
- be an enterprising person (initiative, peoples person)

Educational background is not the first factor in the selection procedure, however understanding of Arctic issues (human, social, and environment) and University of the Arctic are considered an asset.
