

WEBINAR

# Bolstering Climate Adaptation Implementation at the Local Scale

**Aida Esmailzadeh Seilabi**

University of Alberta,  
Canada

**Nina Rogers**

University of Tasmania,  
Australia

**Nicole Bonnett**

University of Alberta,  
Canada

Drawing on case studies from around the world, panelists will explore themes related to managed relocation (Canada), community-based adaptation (Iran), and climate mainstreaming (Australia), homing in on opportunities for overcoming implementation challenges.

April 7, 2026 | 2:00pm-3:20pm (MDT)
