## Courses

### Course catalogue

Be sure to select the appropriate semester while browsing our [course catalogue online](#).

### Course registration

You will meet with a YukonU program advisor and/or an international coordinator to select and discuss course options prior to registering for courses.

### Course credits

Nine to fifteen (9-15) credits is considered a full course load per semester. Courses are typically three (3) credits; some courses are six (6) credits.

### Course delivery

As an exchange student, you will most likely study in-person at Ayamdigut Campus, in Whitehorse, Yukon. If you are registered in a short-term field school, you may have the option to travel to a remote location in the Yukon.

### Courses

You may decide to study a variety of courses from different program areas depending on availability of seats. Some courses are restricted to specific programs and are not available to exchange students. You will be expected to have appropriate pre-requisites for courses.

### Language requirements

Besides specific foreign language courses, all courses will be taught in English. You will be required to demonstrate proficiency in English.

Language proficiency may be demonstrated by:

- A signed letter from the Faculty of English OR international coordinator from your home institution confirming that your English language skills are adequate to study at a post-secondary level; or
- Proof of achievement, at a prescribed level, in TOEFL or IELTS.

### Grading system

YukonU uses a letter grade system based on a 4.0-point scale.

Please review the grading system by reviewing YukonU's [Academic Regulations](#)

## Finances

### Tuition waivers

If you have been nominated by a participating north2north member institution – you will not be expected to pay tuition at YukonU. You will only be expected to cover student service fees.
